Guo Wenzhi: Is your...Isn't your husband at Zhengzhou?

Investigator: Yes.

Guo Wenzhi: You can ask him to come to me tomorrow.

Investigator: Where can he find you in the morning? Where will you be? Is he going to call or come to visit you...?

Guo Wenzhi: I'm...I'm at the old division of the First Affiliated Hospital of Zhengzhou University.

Investigator: Oh.

Guo Wenzhi: The old division.

Investigator: Then I'd like to rely on you...just...just entrust it entirely to you. Please put more efforts to find a good one for him.

Investigator: Yes.

Guo Wenzhi: We've done a lot.

Investigator: One of my classmates recommended your hospital!

Guo Wenzhi: You can rest assured!

Investigator: That classmate said that you do quite a lot, up to one hundred cases a year, with more mature techniques.

Guo Wenzhi: We in one year...We did more than 200 cases last year.

Investigator: Oh...Then for every month, you...

Guo Wenzhi: We now do more than 260 cases (every year), and we do over 20 cases every month.

Investigator: Ah, yes! As that classmate of mine said, the first Affiliated Hospital of Zhengzhou University in Henan is the best. He told me, he told me to come to your hospital here.

Guo Wenzhi: Anyway, I can't say we are the best. But at least our quality is reliable, with no need to worry. Listen, come over here tomorrow, and bring his files for me to take a look. Then I'll talk with you again, okay?

Investigator: Okay, okay.
