

## 追查迫害法輪功國際組織（追查國際）

### World Organization to Investigate the Persecution of Falun Gong (WOIPFG)

To investigate the criminal conduct of all institutions, organizations, and individuals involved in the persecution of Falun Gong; to bring such investigation, no matter how long it takes, no matter how far and deep we have to search, to full closure; to exercise fundamental principles of humanity; and to restore and uphold justice in society.

### Investigation Recording 2020-017

**Date:** March 5, 2020 (+86-571-87236800)

**Subject(s):** Two Nurses, Lung Transplant, the First Affiliated Hospital, Zhejiang University School of Medicine

### Summary

1. The lung transplant for a COVID-19 (patient) was done in our hospital, but it was done at Zhijiang Division.
2. Director Han Weili hasn't been here these days. He's been in quarantine since he did the surgery.
3. I'll give you the phone number for our Director Han. You can call and ask the other division there: 13957161851.

### Translation

Investigator: Hello. How are you? Hey. How are you? Can you hear me?

Nurse: Yes. How can I help you?

Investigator: Ah. How are you? Is this the...the First Affiliated Hospital of Zhejiang University School of Medicine? Is this Lung Transplant?

Nurse: Yes.

Investigator: Transplant?

Nurse: Yes.

Investigator: Well, I would like to ask, that is, when I can find Director Han? Han Weili?

Nurse: Director hasn't been here these days.

Investigator: Not here these days? (Nurse answered "Yes.") Isn't the case that not long ago, he did that, that lung transplant? That, that (COVID-19) pneumonia one. Didn't he do that at your hospital?

Nurse: He did do that at our hospital, but he is at Zhijiang Division.

Investigator: Oh. He is at Zhijiang Division. Is this, this is the main hospital (division)? Is it?

Nurse: We are the Qing...Right. Right. We are at Qingchun Division.

Investigator: Ah. Do you know the phone number for Zhijiang Division? Well, I mean, that's the hospital, the division, which handles those with pneumonia, right?

Nurse: Right. Yes.

Investigator: Ah, so can you get the phone number for that division and let me know?

Nurse: The phone number for that division...I don't have it.

Investigator: Okay, would you help check with the operator? Then I can ask about it.

Nurse: Not that. Mainly because I am not able to find it.

Investigator: You cannot find it?

Nurse: Right.

Investigator: So, as you just said, he is at Zhijiang Division, right? Is it Zhijiang Division of your Zhejiang University School of Medicine?

Nurse: Right.

Investigator: Okay, well, do you, do you know that if we come and seek treatments for that, that Wuhan pneumonia (COVID-19), what kind of procedures we need to follow?

Nurse: That means, you'd like to come here for a lung transplant. Is that what you mean?

Investigator: Yes. Yes. It's that I, I...

Nurse: Just wait a moment.

Investigator: Okay.

(About one minute later)

Nurse: Hello.

Investigator: How are you?

Nurse: You, are you consulting now? Did you test positive for COVID-19, so you need a lung transplant, or something else?

Investigator: Yes, we're now tested positive with COVID-19. So we want to get, to get a lung transplant done at your place. Then I would like to consult about what the situation is like, and whether (such a transplant) can be done or not.

Nurse: Ah...I'll give you a phone number, the number for our Director Han. Or you can ask the other division there.

Investigator: All right. Please go ahead.

Nurse: Okay. You note it down: **13957161851**.

Investigator: 139...5716...1851. This is the phone number for that Han Weili, Director Han, right?

Nurse: Right. Right.

Investigator: Okay. Then I will just call him to consult. Thank you!

Nurse: Okay. All right.

Investigator: Good-bye.

Nurse: Okay.
