### Translation

Investigator: Hi, hello.

Nurse: Hi.

Investigator: Hi, hello!

Nurse: Hello!

Investigator: Is this Shandong, Shandong Provincial Hospital...well, which office is this?

Nurse: This is Organ Transplant, Liver Transplant.

Investigator: I am looking for Liver Transplant.

Nurse: Ah, go ahead.

Investigator: Yes, I have a couple of questions here. Our family has a patient, who had the tissue typing done before the pandemic, hoping to get a liver transplant done. Later the pandemic delayed it.

Nurse: How about this, you go to the official account of Shandong Provincial Hospital, and make an appointment with our expert, Director Liu Jun, at the clinic.

Investigator: Ah. Is he a lead surgeon?

Nurse: Yes, he is our director.

Investigator: Oh, good. I have another question. You are a nurse, so at the inpatient service, are the beds in tight supply? If possible, can we get hospitalized immediately, will there be vacant beds available?

Nurse: At the inpatient service, we're near capacity, almost at full capacity!

Investigator: Oh, fine. So you have many patients for liver transplants, right?

Nurse: What?

Investigator: I'm asking if you have many liver transplant patients, is that so?

Nurse: Yes.

Investigator: Ah, fine. I will go look for Director Liu Jun.

Nurse: Okay. Good.

Investigator: On which day of the week does he come to the clinic? When does he see patients there?

Nurse: Every Monday.

Investigator: Oh, every Monday. Ah, today is Wednesday. Oh, fine. Well, roughly how much money? Can you give me a rough number?

Nurse: It's better to let Director Liu Jun answer these questions, okay?

clinic every Monday, he does operations on the remaining days, right?

Nurse: Yes.

Investigator: Oh, he does liver transplant operations. Okay, that's great. I've found the right person.

Nurse: Yeah.

Investigator: Thank you, Nurse, thank you!

Nurse: Yeah, you are welcome. Bye.

Investigator: Bye.

Nurse: Bye.
