Military Hospitals Affiliated to Central Military Commission, CPC (中央军委直属军队医院)

1. Chinese People's Liberation Army General Hospital (301th Hospital of PLA) (解放军总医院)

Overview: This is a “Class Three Grade A” hospital¹, which was accredited to conduct liver transplantation, kidney transplantation by the Ministry of Health of the PRC on May 23, 2007².

Kidney transplantation: 2,159 cases at least had been conducted, during 1977 to August 2009³;

Liver transplantation: Almost 500 cases of cadaveric liver transplantation performed, also more than 90 cases of living “donor” liver transplantation⁴;

Corneal transplantation: 212 cases (224 eyes) of penetrating keratoplasty, conducted, during 1993 to 2003⁵; and 18 cases of vitreoretinal surgery combined with penetrating keratoplasty performed, during December 1996 to June 2005 as reported⁶.

追查迫害法輪功國際組織

World Organization to Investigate the Persecution of Falun Gong

To investigate the criminal conduct of all institutions, organizations, and individuals involved in the persecution of Falun Gong; to bring such investigation, no matter how long it takes, no matter how far and deep we have to search, to full closure; to exercise fundamental principles of humanity; and to restore and uphold justice in society.
