								shift from decentralized detention to centralized detention was made possible. <sup>34</sup>
17	Shanghai Nanling Industry Corporation	Baimaoling Prison of Shanghai City	Shanghai Shenyue Enterprise Development (Group) Co., Ltd.	<b>Tang Yunlong</b> General Manager of Shanghai Nanling Industry Corporation; Deputy Warden of Baimaoling Prison of Shanghai City <sup>35</sup>	0.72 million yuan	Mechanical construction and repair; retail sale of hardware and electric appliances; processing of toys and knitwear; planting and organization of seedlings for external sale (excluding licensed products)	Baimaoling, Taocheng Town, Langxi County, Xuancheng City, Anhui Province	Baimaoling Prison of Shanghai City (located in Langxi County, Xuancheng City, Anhui Province) was established in March 1956 to relocate homeless, disabled and elderly people, street children and orphans from Shanghai. It was built in the hilly area at the junction of Langxi and Guangde Counties in southern Anhui and covers an area of 40.5 square kilometers. It is an administrative unit under the Shanghai Municipal Prison Administration Bureau. Baimaoling Prison has been going through a new round of construction and development. A modern, garden-style, national first-class central prison area with an investment of 70 million yuan and a capacity to detain about 2,200 prisoners would soon be completed and put into use. The prison also started implementing reforms of the farm-type prison system with the goal of separating the prison from the farm. Its drainage reform projects have also been implemented, with a new seedling production base, a non-staple food production base and a swine breeding base. Since entering the communist regime's "10th Five-Year Plan", the prison has established a strategy of exploiting the advantages of its prison-controlled lands and human resources, to ensure food security, and promote the production of tea and non-staple foods. This will guarantee and promote its
