Summary

1. We do a lot of kidney transplants! More than 100 cases. We did 150 cases last year.
2. The cost is 350,000 to 400,000 yuan.

Translation

Wang Huiying: Hello, hello!

Investigator: Hello, hello, is this Head Nurse Wang of Shanxi Second People's Hospital?

Wang Huiying: Yes.

Investigator: I'm from Datong city. I have a friend who has been on dialysis in Hungary. He wants to come back to find a hospital for a kidney transplant. He's on dialysis every day. If it's convenient, he wants to have a kidney transplant. Later I asked around and heard that the Second People's Hospital of Shanxi Province does kidney transplantation. No other hospitals do.

Wang Huiying: That's right.

Investigator: Do you do a lot of kidney transplants there at your hospital?

Wang Huiying: We do a lot! More than 100 cases. We did 150 cases last year.

Investigator: Ah, is that so? In that case, the Second Hospital of Shanxi Province does the most (kidney transplants) in the province, right?

Wang Huiying: Right.

Investigator: Oh, that's fine. Let me ask you a question. How much does it cost to have a kidney transplant there?

Wang Huiying: Well, about the cost, because now I have left this hospital, you can call the hospital to inquire about that directly.

Investigator: Have you moved to another place?

Wang Huiying: Right.

Investigator: Oh, I see.

Wang Huiying: Ah.

Investigator: That's fine! I'll try again asking around, because this number...

Wang Huiying: The estimated cost should be...

Investigator: Ehm.

Wang Huiying: It may be between 350,000 and 400,000 yuan. It should be more or less like that, within that range.

Investigator: Okay, that's fine. Thank you. I'm sorry to bother you.

Wang Huiying: Oh, it's okay, bye!
