4. There is a doctor surnamed Deng in Transplant.

#### Translation

Investigator: Hi, hello! Hello, is this Doctor Deng at the First People's Hospital of Chengde City?

Doctor Deng: Speaking.

Investigator: Ah, how are you? I have a question: how long do we need to wait for a kidney transplant surgery? We've got all examinations completed and all medical records ready here.

Doctor Deng: Regarding that, you need to contact our Director Zhu.

Investigator: Who should I speak to?

Dr, Deng: Zhu Huachen.

Investigator: Is he Zhu Huachen?

Doctor Deng: Yes.

Investigator: Oh, would you please tell me his phone number?

Doctor Deng: I, I, I'm currently in Beijing.

Investigator: Uh. (you are) in Beijing. I'd like to ask you a question, Doctor Deng: how long do we need to wait for the surgery if we come to you, as we need to make some arrangements such as requesting for the time off, and preparing the money.

Doctor Deng: I'm not sure. You must have called the wrong number!

Investigator: Well, that is to say, are there any beds available at your inpatient service? If there are vacant beds available, we won't have to wait for one when we get there...

Doctor Deng: Please contact Director Zhu, okay? Ah.

Investigator: Okay, all right. If we get it done now, there are no problems as far as your experience and skills are concerned, right? You have no technical problems performing kidney transplants, right?

Doctor Deng: Our technical skills are definitely not an issue, as we have done the surgeries for decades.

Investigator: Ah, you've done them for decades (Doctor Deng: over 20 years). Well, how many cases do you do in a year? So, there are no issues with your skills, right? How many cases can be done at your hospital in a year?

Doctor Deng: Around 70 to 80 cases.

Investigator: Ah, around 80 cases.

Doctor Deng: Hum.

Investigator: So, you're quite experienced, as you've done it for decades. Ah, is there a doctor surnamed Deng at your hospital?

Doctor Deng: Yes.

Investigator: I got this number from my friend.

Doctor Deng: He's in Transplant; he's in the Transplant Division.

Investigator: Uh, he's in Transplant, and how about you? Which division are you in?

Doctor Deng: I'm from Endocrinology.

Investigator: Ah, from Endocrinology. Oh, are you Doctor Deng Zhiming? You're from Endocrinology.

Doctor Deng: Yes.

Investigator: All right, thank you very much!

Dr. Dneg: Ah.

Investigator: Well, I may have to bother you again if I have further questions. Thanks a lot, all right, bye!
