Translation

Investigator: Hello, how are you? Is this Jiangxi Provincial People's Hospital?

Nurse: Hi, yes.

Investigator: How are you? I would like to ask, to consult you on something. My husband wants to have a kidney transplant done at your hospital.

Nurse: Yeah, okay, please come, and wait, wait in line.

Investigator: We have to get on the waiting list at your hospital? How long is the wait?

Nurse: You have to wait in line.

Investigator: Wait in line, in the fastest case, how long is the wait?

Nurse: At least half a year, I think.

Investigator: Half a year! Is it that long? Now are you doing it every day?

Nurse: Ah, sometime yes, sometimes no. For example, there's nothing this week.

Investigator: How many cases have you done this year?

Nurse: Roughly over 80 cases.

Investigator: Over 80 cases, that's to say, from...to now over 80 cases have been done.

Nurse: Since January 1, 2019.

Investigator: Over 80 cases have been done since January 1. That's to say, if we are lucky, it will be our turn quickly, right?

Nurse: Well, it would be good if you came earlier.

Investigator: Right, because my husband...

Nurse: Liver transplant or kidney transplant?

Investigator: Kidney.

Nurse: Oh, That wouldn't be so fast, and you have to wait.

Investigator: Well, right now, who is the most famous doctor at your place?

Nurse: It's the one surnamed Li, Director Li Xinchang.

Investigator: Li Xinchang, he is in charge. He is in charge of the kidney transplants, isn't he?

Nurse: Yes, yes.

Investigator: Um, okay, thank you!
