Translation

Investigator: Hi, greetings!

Doctor: Doctor Wang is doing an operation. How may I help you?

Investigator: Doctor Wang is performing an operation, right? I would like to ask him to do a liver transplant. How can I make an appointment with him?

Doctor: Perhaps you can call him later, when he finishes the operation, in two hours.

Investigator: Two hours? I will go to bed in two hours. Let me ask a quick question. Should the patient be transferred to your hospital or just bring his file over here for you to take a look?

Doctor: Perhaps we can discuss this tomorrow. Is this urgent?

Investigator: Very urgent. Since it is urgent, I am calling you at night. Otherwise, I wouldn't have called at this hour.

Doctor: Tell me again, what is your name, your name?

Investigator: My husband's surname is Sun, Sun Yaoming.

(Other person picked up the phone)

Wang Xin: Hello!

Investigator: Hello! Greetings. My husband wants to transfer to your hospital for a liver transplant.

Wang Xin: Did you ever contact me before?

Investigator: No. A classmate recommended you to me. We visited the No. 401 Hospital previously. They told us to come to the Affiliated Hospital of Qingdao University, saying that it's better here.

Wang Xin: You are from Southern China, right?

Investigator: Yes, my hometown is in Zhejiang. I live here...

Wang Xin: Please come tomorrow morning to talk to me. Is that okay?

Investigator: Should the patient come over in the morning, or shall I just bring his file?

Wang Xin: Come together, come together. It's okay, too. It's more direct.

Investigator: If we come together, can he be hospitalized? Can he be hospitalized?

Wang Xin: Yes, tomorrow should be fine.

Investigator: So if I bring everything over, can you arrange the operation in half a month?

Wang Xin: What is his blood type?

Investigator: Type B, 48 years old.

Wang Xin: (Your husband) can get hospitalized first, okay? I need to do an assessment for him first. Whether it can be done or not, I am not sure yet. At least I need to see the patient! It should be quick! It won't take too long!

Investigator: It won't be too long, very quick, right?

Wang Xin: Yes.

Investigator: So where can I find you tomorrow?

Wang Xin: Tomorrow... in this Laoshan Division of the Affiliated Hospital of Qingdao University, then Building 2, 15th floor, oh, 16th floor.

Investigator: In Laoshan Division right?

Wang Xin: Laoshan Division, the Affiliated Hospital of Qingdao University, Building 2, 16th floor. Liver transplantation department. Okay?

Investigator: Oh, 16th floor. You are Doctor Wang Xin?

Wang Xin: Yes, yes, yes.

Investigator: Then I will bring the patient over. In that case...

Wang Xin: When you arrive, just call me.

Investigator: We'll call you, when we arrive. Shall I call your cell phone? Can I get your cell phone number?

Wang Xin: Yes, it is this number.

Investigator: This is your cell phone? Then, can I ask the approximate price? Shall I bring the money?

Wang Xin: No. Let's assess his condition first, okay?

Investigator: Oh, an assessment first.

Wang Xin: Yes.

Investigator: Oh, if it can be done, then it will be fast. Can it be done in half a month?

Wang Xin: There shouldn't be a major problem.

Investigator: Oh, there won't be a major problem. Oh, good. Thank you. Since my classmate recommended the South Division for the organ transplant. You are in Laoshan, not the South Division?

Wang Xin: We already moved over here. It was too small in the South Division. We already moved over here.

Investigator: Oh, then there's no more (operation) in the South Division, right?

Wang Xin: Right. We have nothing left in the South Division. The entire center has been moved over here.

Investigator: Ah.

Wang Xin: Only in the Laoshan Division. I will send you our detailed address soon, since I am doing an operation.

Investigator: So, my sister-in-law has asked, the Affiliated Hospital of Qingdao University is in Laoshan Division. Laoshan Hospital, 16th floor, you just said this, right?

Wang Xin: Right, right. I will send you a detailed address in a short while. Please wait for me to finish the operation.

Investigator: Ah, then I will call you tomorrow to confirm. Let me discuss this with my family again, okay?

Wang Xin: Eh, ah, okay!

Investigator: I will call you tomorrow then. Thank you!
