Investigator: There may be a problem with my phone. How much does it cost to perform the surgery? We have prepared about 800,000 yuan. Please tell me, uh.

Nurse: That's fine.

Investigator: 800,000 yuan.

Nurse: That should be okay.

Investigator: Hey, according to that doctor, if the situation is special, then how about the cost?

Nurse: For such specific details as you just mentioned, you can consult Hu Linkun at his clinic, okay?

Investigator: Ah, Hu Linkun's clinic.

Nurse: I can't hear you because of your phone!

Investigator: Ah, is that so? Let me hang up, then I'll call you back.
