**Translation**

Nurse: Hello!

Investigator: Hello, hello, is this the liver transplant inpatient service of Beijing Friendship Hospital?

Nurse: No, you've got the wrong number.

Investigator: What's the number for a doctor in the liver transplantation or in the inpatient service?

Nursing: The liver transplantation has been moved to Tongzhou, Tongzhou Division, not in Xicheng Division anymore.

Investigator: Oh! When did it get relocated?

Nurse: It happened last year, last September.

Investigator: It got relocated in September 2019, to Tongzhou Division, not in the Xicheng Division anymore?

Nurse: Right, yes, you can call the number for Tongzhou Division to ask over there.

Investigator: Can you tell me the number for its operator? I don't have any number for Tongzhou Division, but only have the number for Xicheng Division.

Nurse: I don't know that, either.

Investigator: Then I'll check it online.

Nurse: You can look it up online.

Investigator: Can I find it online?

Nurse: You should be able to find their number online.

Investigator: You are talking about liver transplantation, and you don't do it anymore in Xicheng Division, right?

Nurse: Our entire liver transplant inpatient service unit has been moved over there.

Investigator: The whole thing has been moved there?

Nurse: Only the outpatient clinic is still here.

Investigator: Only the outpatient clinic is here, and both the transplant and inpatient service are all over there now, right?

Nurse: Yes, that's right.

Investigator: Well, I would like to ask, is Director Zhu who used to be in charge of liver transplantation still there? Zhu Zhijun.

Nurse: Yes, he is still the director of liver transplantation.

Investigator: He is still there, Zhu Zhijun.

Nurse: Yes, he's still there.

Investigator: Still there, good. Because my neighbor asked me to look for him, okay, then I will try again to reach him! Okay, right.

Nurse: Yeah, You can call their number to consult there.

Investigator: I don't have their phone number though?

Nurse: I don't have it, either.

Investigator: Okay, then, thank you, bye!

Nurse: Goodbye!
