Translation

Investigator: Hello. How are you?

Doctor: Hello.

Investigator: Hi. Is this the Third Xiangya Hospital of Central South University?

Doctor: Yes.

Investigator: Hi, how are you? Uh, one of my family members wants to go to your place for a kidney transplant. Is this the inpatient service?

Doctor: This number is for ICU.

Investigator: Ah, the number for ICU. Because I was given this number and was told that I can always get someone by calling this number. A family member of mine, my sister's child, wants to have a kidney transplant at your hospital.

Doctor: Have you got registered here?

Investigator: No. Not yet.

Doctor: Have not registered (Investigator: right, he...). Then you need to contact our office of hospitalization. Contact the doctor in charge of hospitalization. He will give you...uh...tell you what you need to prepare.

Investigator: Right. He is right now in Chenzhou. (He) now stays in the hospital in Chenzhou.

Doctor: I'll give you...I'll give you a phone number. I will get you a number to find the doctor for hospitalization. He will give you, tell you what kind of preparation you need to do.

Investigator: Okay. So please tell me the number. What is it?

Doctor: You note it down.

Investigator: Okay. I will. I'll jot it down. Please go ahead.

Doctor: 151.

Investigator: 151.

Doctor: 1625

Investigator: 1625

Doctor: 6469

Investigator: 6469. What's his last name? Who is that, that person?

Doctor: Doctor Zhang. Doctor Zhang.

Investigator: Uh. What is the last name?

Doctor: Zhang, the "Zhang" with "Gong" and "Chang"(in Chinese character). You get in touch with him (Investigator: Uh. Zhang). He will tell you what kind of preparation you need to make, when you need to come here to do (surgery). For sometimes, we do not have any vacant beds available, you know?

Investigator: Oh. That Doctor Zhang, is he the contact specifically for kidney transplants?

Doctor: He is the doctor for hospitalization. That means, you need first get in touch with him for all necessary things, okay?

Investigator: Okay. What's his name?

Doctor: You just call him Doctor Zhang. That would be good, okay?

Investigator: I would like to ask, once we go there, how long do we need to wait?

Doctor: The wait time depends on the situation of your tissue typing. The wait time is short if the tissue typing goes well.

Investigator: Okay. So if that's the case, then how much does it cost?

Doctor: How much money is needed? Well, it also depends on the specific situation. About that, you can just directly contact doctor Zhang. He will tell you, okay?

Investigator: Oh, well, I have one more question, because my sister is by my side, asking about how many (surgeries) you can do a year, so that she could feel assured. If you can do a lot, that means your technical skills are good, right?

Doctor: How many cases of kidney transplant surgeries do we do here a year?

Investigator: Exactly.

Doctor: Ah. We did over 160 cases last year.

Investigator: Okay. Not bad. Were (the surgeries) done by Director Ye Qifa?

Doctor: Ah?

Investigator: Was Director Ye who did the surgeries?

Doctor: Director Ye? Director Ye is no longer here. Now the director is Professor Ming.

Investigator: Ah, what was the last name? The last name?

Doctor: Ming.

Investigator: Ming.

Doctor: The "Ming" as in "Ming Bai (Chinese phrase).

Investigator: Are you talking about Ming Ying, Professor Ming Yingzi?

Doctor: I am now being very busy. This is ICU and we're very busy here. I don't have the time to talk to you too much.

Doctor: I have given you the phone number. It'll be fine if you just contact him directly. They would help you out. Got it? We....

Investigator: Then thank you. Thank you. Okay. Sorry for the inconvenience.

Doctor: Okay. That's okay.
