**Summary:** Admission that Falun Gong practitioners' organs were used before.

### Content of Investigative Recording

Investigator: I forgot to ask something, the organs we are using now, can we still use that kind of organ as before, the organ from Falun Gong practitioners?

Song Jiyong: No, not any more, it can't be used.

Investigator: Not any more now, definitely not available?

Song Jiyong: Right, right.

Investigator: As we all knew, the organ transplant done 15 years ago, even Shi Bingyi said that...of course if there were that kind of....

Song Jiyong: Not available. No, no, ah, no, no.

Investigator: Is it not allowed to use now?

Song Jiyong: Right, right, uh.

Investigator: Oh, so there is only one source, right?

Song Jiyong: Right, right, uh.

Investigator: All right then, I'll contact you afterwards.

Song Jiyong: Uh, good bye.
