Doctor: Hello, hi!

Investigator: Hello! Is this the First Affiliated Hospital of Sun Yat-sen University?

Doctor: Hello?

Investigator: Is this the First Affiliated Hospital of Sun Yat-sen University?

Doctor: Who'd you like to talk to?

Investigator: Hey, is your hospital still doing that?

Doctor: What is your calling for, what are you trying to make?

Investigation: I just mean, one of my family members hopes to go back to your hospital to do a liver transplantation. Is your hospital able to do it now?

Doctor: Sure we do!

Investigator: Oh, you can. How long we will have to wait?

Doctor: What did you say? I can't hear you very well.

Investigator: In other words, how long is the general waiting time?

Doctor: It usually takes at least one month, at least.

Investigator: At least one month? How much cases can your hospital take in a year?

Doctor: 200 cases.

Investigation: 200 cases? (I see). If we want to go now, which director should we go to?

Doctor: You can find out about it by visiting our hospital website.

Investigator: Ok. So, How much have you done this year?

Doctor: We've done a lot this year, a lot of.

Investigator: More than 200 this year? You just said it's more than 200.

Doctor: Not yet. We did a lot last year, not this year~

Survey: Oh, you have done a lot this year too, haven't you ?

追查迫害法轮功国际组织

World Organization to Investigate the Persecution of Falun Gong

To investigate the criminal conduct of all institutions, organizations, and individuals involved in the persecution of Falun Gong; to bring such investigation, no matter how long it takes, no matter how far and deep we have to search, to full closure; to exercise fundamental principles of humanity; and to restore and uphold justice in society

Doctor: Yes.

Investigation: Oh~ but I have no idea which professor should I go to, the basic situation is not listed (on the website). Just take a look at Renji Hospital, they got (the basic situation) listed (on their website), and confirmed 800 cases last year. If you don't describe it detailed enough, we will have no idea about how much you have done them.

Doctor: There are so many cases! As I have already told you, what a great deal! Let me tell you that more and more hospitals are qualified to perform this operation, and our hospital is one of the first hospitals capable of to doing it.

Investigation: Oh.

Doctor: One to three months, it depends on luck! If you have a good match and a good luck, you can do it soon, it is even possible in one or two weeks!

Investigation: Oh~, Hopefully, have you done more than 100 cases this year?

Doctor: Yes, (absolutely). There were 200 cases last year.

Investigation: Oh, yes, that's okay, I will discuss it with my family, I will go back as soon as possible. thank you.

Doctor: Good.
