Telephone Investigation Contents:

Investigator: Hello?

Dong Nianguo: Hello.

Investigator: Hello, Professor Dong! How are you?

Dong Nianguo: Hello.

Investigator: May I ask if you still do heart transplant now? I have a family member who wants to...

Dong Nianguo: Yes, we're still doing it.

Investigator: You're doing it. Then do we have to wait long after we come over?

Dong Nianguo: Where are you now?

Investigator: I am in Changzhou.

Dong Nianguo: When do you think you can come over?

Dong Nianguo: After you come, we will examine the patient... After the examination, you will start waiting for the donor, since now should be a good opportunity.

Investigator: Uh why?
