Nurse: Hello, this is Urology!

Investigator: Hello, Are you...Are you from Kidney Transplant Department? The kidney department of Jinang Military General Hospital?

Nurse: Yes.

Investigator: I see. Are you taking patients now? Because we have a patient right now, hm, everybody wants him to do kidney transplant. If you now, takes new patient, um, after he is admitted, what is the shortest time to obtain the kidney?

Nurse: This is hard to say, Sir. This is up to chance. It's possible that a kidney is obtained but could not match you, in that case it won't work for you.

Investigator: Oh, I see. How is your technical know-how? Do you do a lot of cases?

Nurse: Technical know-how is good.

Investigator: I see. Then, could I say, could it be said, the cases done this year..... just how are the end results? How many did you do? All ended well?

Nurse: we did over 100 cases.

Investigator: Wow, over one hundred cases this year? How about last year, I am sure.....

Nurse: over one hundred cases each year. But I didn't check it in detail.

Investigator: Oh. How available is the bed allocation? do you have fixed bed allocation for kidney transplant?

Nurse: We don't have fixed kidney transplant bed allocation. We are the Kidney Transplant Central Operations Executive Care Unit.

Investigator: oh, so it means that after the transplant, we enter the care unit?

Nurse: Yes.

Investigator: Alright. Which doctor is best to do the operation?

Nurse: All of our physicians can do it. It shouldn't really matter. All of them can do it.

Including our chief physician and Deputy chief physician.

Investigator: Who is the chief physician?

Nurse: Zhang Aiming is Chief Physician Zhang.
