

Subject of Investigation: Nurse at the cardiac surgery ward of Wuhan Union Hospital

Time of Investigation: June 30, 2020 (+86-2785351610)

Highlights

1. She had her operation, she's done it, she is not in our ward, she is in the intensive care unit.
2. She has been in the intensive care unit. She was not taken to the operating room from our ward and then was taken back to the intensive care unit.
3. She needs to stabilize and is given an assessment before being transferred out of the intensive unit.

Recording Content

Nurse: Hello! The Cardiac Surgery at Floor 10.

Investigator: Oh, hello there! May I ask if Director Dong, Dong Nianguo, is here?

Nurse: Uh...you are?

Investigator: Ah, this is the situation. I'm from Shandong. Weichen, a volunteer from Qingdao, Shandong. I read a report saying that Union Hospital brought back from Japan on the 12th one of our fellow folks in Shandong?

Nurse: Ah.

Investigator: I heard she was going to receive heart surgery, so I wanted to ask how this girl, the girl called Ling Ling, is doing.

Nurse: Oh...okay, you...I don't know how she's doing yet. you...do you want to call back in ten minutes, okay?

Investigator: Okay, who might be there?

Nurse: I...I will go find or ask about her condition now.

Investigator: Ah, did she have her surgery?

Nurse: She did!

Investigator: Ah, it was done. Ah, that's good, how's her recovery?

Nurse: Since she did it...she is not in our ward, but in the intensive care unit.

Investigator: Ah, she's now in... is that the intensive care unit?

Nurse: Yes, yes, yes, yes.

Investigator: Ah.

Nurse: She needs to stabilize and is given an assessment before being transferred.

Investigator: Ah, when did she have the surgery?

Nurse: Well, we have to check this.

追查迫害法轮功国际组织

World Organization to Investigate the Persecution of Falun Gong

To investigate the criminal conduct of all institutions, organizations, and individuals involved in the persecution of Falun Gong; to bring such investigation, no matter how long it takes, no matter how far and deep we have to search, to full closure; to exercise fundamental principles of humanity; and to restore and uphold justice in society

Investigator: Ah, you are not very clear, are you?

Nurse: It's not like that, we have so many patients, it's hard to tell which one received the surgery on which day?

Investigator: Ah, ah, because..., I think she is the one...

Nurse: She is, she has been in the intensive care unit. She was not taken to the operating room from our ward and then was taken back to the intensive care unit.

Investigator: Ah, because this thing... that is, because, because she is from our hometown, I have been paying close attention to her, to see if I can do something for her, ah, for her or for her surgery.

Nurse: Ah, ah, okay, okay.

Investigator: OK, I will call again later.

Nurse: Okay, let me find out first. If I can find someone who can answer your questions, I'll let her answer the phone. If I can't find anyone, I'll check and tell you what I know, okay?

Investigator: OK, OK, thank you! OK, then I will call again later.

Nurse: All right, not problem, no problem.

Investigator: Goodbye, um!

Nurse: Well, good, bye bye!
