In September 2014, WOIPFG investigated Bai Shuzhong, former Minister of Health for the Chinese People's Liberation Army (PLA) General Logistics Department. The investigation focused on the Chinese military's involvement in the live organ harvesting of Falun Gong practitioners. During the investigation, Bai Shuzhong admitted that Jiang Zemin, former Chinese Communist Party Chief, had "instructed" the harvesting of Falun Gong practitioners' organs for transplantation. Bai said in a telephone investigation, "Back then it was Chairman Jiang ... there was an order, a sort of instruction, that said to carry out such things, organ transplantation. ... Because back then after Chairman Jiang issued the order, we all did a lot of anti-Falun Gong work ..." "...that is to say, it was not just the military who was doing kidney transplants ...."

This investigation result directly points to Jiang Zemin, who ordered to harvest organs from Falun Gong practitioners. This is genocide implemented by Jiang Zemin and other high ranking CCP officials. This is genocide carried out by the CCP controlled state apparatus. This genocide takes the form of live organ harvesting of Falun Gong practitioners. Under the secret protection of the CCP, Chinese judicial system, military, arm police forces and local hospitals colluded in this Crime against Humanity and Crime of Genocide.

#### Telephone Investigation Transcript:

**A** – Bai Shuzhong, former head of the Health Division for the Chinese PLA General Logistics Department  
**B** – WOIPFG investigator

**A:** Hello?

**B:** Hello, is this Bai Shuzhong, former head of the PLA General Logistics Department's health division?

**A:** Ah, who is that?

**B:** ..., we would like to ask you for some information.

**A:** You are

**B:** ah?

**A:** Whenever, about what? You (can) speak.

**B:** This is the situation. When you were the head of the health division for the PLA General Logistics Department, regarding taking organs from the detained Falun Gong people for organ transplantation, was it an order from Wang Ke, the then-director of the PLA General Logistics Department? Or did it directly come from the Central Military Commission?

**A:** Back then, it was Chairman Jiang.

**B:** Hmm.

**A:** There was an order, a sort of instruction that said this.

**B:** Hmm.

**A:** It instructed to carry out this thing, that is, organ transplantation.

**B:** Hmm.

**A:** Later, Chairman Jiang, (I) heard there was an instruction document, about people selling kidneys for transplant surgeries. This, I should say, was not just the military, which was doing kidney transplants.

**B:** We also obtained some intelligence, that is to say back then, the Joint Logistics Departments (of the Military Regions) had detained a number of Falun Gong people as live donors, is that true?

**A:** This, this is back then, ah, I think, at least this is how I remembered, because back then after Chairman Jiang issued the order, we all did a lot of work against the Falun Gong practitioners.

**B:** You guys (the PLA General Logistics Department) and the Joint Logistics Department No. 1, Joint Logistics Department No. 2, including the Joint Logistics Department No.40 subdivision, and the military hospitals they were in charge of, do you have supervisory relationship with them?

**A:** We directly control the military medical universities, they are directly affiliated with the PLA General Logistics Department, and they received repeated orders, because Jiang paid a lot of attention to this matter back then, and put a lot of emphasis on this matter.

**B:** Who put a lot of emphasis on this matter?

**A:** Jiang, it was when Jiang was in power.

**B:** Hmm.

**A:** (Jiang) paid a lot of attention to this matter, there were written orders.

**B:** From 1998 to 2004, you were ....

**A:** Correct, correct, correct, (I was) the head of the health division for the PLA General Logistics Department, from 1998 to 2004.

**B:** Okay, we will end here for now.

**A:** Ok, ok, good, good, in the future, if something comes up, you can ask me, no problem.

**B:** Ok, good. Thanks, bye.

**A:** Bye.

As the highest-level administrative leader of one of the organizations that carries out organ harvesting operations, Bai played a key role in transmitting Jiang's order to slaughter Falun Gong practitioners. His term of office was between 1998 and 2004, which coincides with the time period when the persecution of Falun Gong and organ harvesting were at their worst. In the recording, Bai clearly states that Jiang gave a direct order to harvest organs from Falun Gong practitioners for transplant, and that there are multiple state apparatuses beside the military that are involved in organ harvesting.

This piece of evidence affirms the weight of evidence WOIPFG has acquired from the military, armed police, regional government organizations, and the judiciary and legal systems that all of these organizations are complicit in the crimes of organ harvesting. It also expounds the reasons behind this situation and verifies the judgment WOIPFG has made based on the collected evidence.
