

追查迫害法輪功國際組織 (追查國際)

World Organization to Investigate the Persecution of Falun Gong (WOIPFG)

To investigate the criminal conduct of all institutions, organizations, and individuals involved in the persecution of Falun Gong; to bring such investigation, no matter how long it takes, no matter how far and deep we have to search, to full closure; to exercise fundamental principles of humanity; and to restore and uphold justice in society

Appendix 2

Investigation Recording 2: Doctor of Zhongshan Hospital affiliated with Fudan University in Shanghai says: “What we have here is all this type (Falun Gong donors).”

In an investigation by WOIPFG in 2006, the investigator asked the Liver Transplantation Center at the Affiliated Zhongshan Hospital of Fudan University whether the hospital used Falun Gong practitioners as donors, the surgeon responded, “What we have here is all this type.”

Following are excerpts from the recorded conversation between the WOIPFG investigator and Zhongshan Hospital liver transplant center.

(B:Zhongshan Hospital liver transplant center)

Investigator: Hello. Is this the Zhongshan Hospital?

Nurse: Yes, transplant ward.

Investigator: Is this the Liver Transplant Center?

Nurse: Yes. How may I help you?

Investigator: I want to have a consultation of my illness

Nurse: Please wait. I will get you a doctor.

Doctor: Hello.

Investigator: Hi. Are you a doctor? Can you do transplant surgery?

Doctor: Yes, we can.

Investigator: How long do I have to wait?

Doctor: About a week after you come.

Investigator: Are there any organs from Falun Gong practitioners? I heard that this kind is generally very good...

Doctor: What we have here is all this type.

Investigator: Oh, the good ones all come from Falun Gong practitioners and they are fresh, usually within how many hours?

Doctor: It should be OK within 24 hours, but we generally control it within 10 hours.

Investigator: Could you tell me who should I contact with about it?

Doctor: You need to talk to the court system.

Investigator: Do you get them from other area? Or you have them locally?

Doctor: We have both.

Investigator: I see. So you have both out of town and local supplies.

Doctor: Yes.
