Phone Investigation Recording

Investigator: Hello, is that former Deputy Secretary of the Political and Legal Affairs Commission of Liaoning Province?

Tang Junjie: Who is that?

Investigator: I’m from the Bo Xilai special investigation team of the Committee for Disciplinary Inspection. We want to ask you a few things regarding Bo Xilai’s days in Liaoning.

Tang Junjie: When do you want me to come over?

Investigator: Hello.

Tang Junjie: When do you want me to come over?

Investigator: Let’s talk on the phone first to clear up some things. If necessary, I’ll send you an invitation to come over.

Tang Junjie: Ok, sure.

Investigator: We have a few questions for you.

Tang Junjie: Go ahead.

Investigator: The first question is: what kind of directions or commands did Bo Xilai issue regarding the extraction of organs from Falun Gong practitioners?

Tang Junjie: I was asked to take care of this task. The party central was actually emphasizing on this, it is because the impact was quite big after the union. The result was quite positive, yeah, it seemed quite positive. At that time, we mainly discussed it during the meetings within the Standing Committee. It seems that the results were positive. Where are you located? The fact that you are asking me about this is a bit... Where is your location?

Investigator: I'm in Beijing and I'm part of the special investigation team for this case.

Tang Junjie: Ah okay. So I won't respond to your questions now. After I receive your specific information, I will answer you, okay? I will give you a response after I see an invitation with official letterhead from you. It's a bit difficult for me to answer questions right now, especially because it involves the issues on this aspect. I cannot answer more. Okay! If you need me to come over, send me a written invitation. The fact that you are talking about this over the phone seems to be out of the blue for me. It's difficult for me to respond.
