#### Phone Investigation Recording

Investigator: Hello. Is that the first division of criminal law at the Intermediate People’s Court of Jinzhou?

Policeman: Right.

Investigator: I only know that since 2001, we have been obtaining kidney donors from courts and detention centers, from those donors, who are young and healthy and practice Falun Gong. Now there are fewer such donors.

Policeman: Hmm, hmm.

Investigator: So I don’t know if your court is still able to provide such donors.

Policeman: That depends on your situation, and we also have to discuss it with our superiors. If the conditions you provided are good, we might still be able to supply (organs from Falun Gong practitioners).

Investigator: Is that right?

Policeman: Yes. It depends on your conditions.
