#### Investigation Recording 41

Subject of Investigation: A doctor on-duty at the Department of Cardiac Transplantation, Central Hospital of Jiangmen, Guangdong Province

Date: December 21, 2015 (Phone number +86-7503165709)

(Recording: [MP3](#))

#### Summary

This recording was part of a report about some Falun Gong practitioners, who have been calling mainland China to tell the truth about Falun Dafa to the people there.

In the phone conversation, when a Falun Gong practitioner asked the doctor-on-duty at the Department of Cardiac Transplantation, Central Hospital of Jiangmen, Guangdong Province, “How many organs have you dug out from living Falun Gong practitioners?” He replied, “Countless”. When being asked again, “Do you dare to confirm that it is ‘countless’?” He repeated again, “Countless.” This doctor directly threatened the Falun Gong practitioner who called him: “(If) you dare to come here, I will kill you. I kill you to see if you go to heaven or hell”.

Note: The name of the person who answered phone is uncertain. When asked whether he was Li Lunming or not, he didn’t deny it. Considering the call time, he’s very likely to be the doctor-on-duty. Li Lunming, Director of the Department, might be off work at that time. Therefore, whether the man answered the phone is Li Lunming or a doctor-on-duty is uncertain.

#### Phone Investigation Recording

Doctor: Hello.

Falun Gong practitioner: Hello. Is this Dr. Li Lunming at the Department of Cardiac Transplantation, Jiangmen Central Hospital?

Doctor: Who is that?

Falun Gong practitioner: I’m calling from overseas.

Doctor: What’s the matter?

Falun Gong practitioner: I want to tell you that, your hospital, and Zhou Xinmin from your hospital have participated in harvesting organs from living Falun Gong practitioners. His name is on WOIPFG’s list, do you know that?

Doctor: Just got rid of one, here comes another!

Falun Gong practitioner: How many Falun Gong practitioners have you killed!? How can you not think about your crime, which is not tolerated by heavenly principles?

Doctor: Let me ask you...

Falun Gong practitioner: A case involving human life is to be treated with the utmost concern! There are gods above everyone's head, do you know...

Doctor: (If) you dare to come here, I will kill you. I kill you to see whether you go to heaven or hell.

Falun Gong practitioner: Do you dare to tell me, how many cases of Falun Gong practitioners' organ surgeries have you done? How many organs have you harvested from Falun Gong practitioners?

Doctor: Countless.

Falun Gong practitioner: Do you dare to confirm that it is countless?

Doctor: Countless, to be honest, countless!

Falun Gong practitioner: I am recording.

Doctor: Countless, do you know how to write these four Chinese characters?

Falun Gong practitioner: We will upload this recording onto the Internet and let the whole world listen to what you said, these vicious words.

Doctor: No problem, just upload it. It's even better to give me the website.
