Chen promised to keep secret the live organ harvesting from Falun Gong practitioners for organ transplantation.

Chen: Hello?

WOIPFG: Hello, is that Chen Rongshan, former director of Urological Surgery Department at the PLA No. 205 Hospital?

Chen: Where are you calling from?

WOIPFG: I am the secretary of Wang Jia, the deputy Minister of the Joint Health Services. Your former president wanted me to tell you something.

Chen: Oh, go ahead.

WOIPFG: No matter what level of investigation agencies contact you about the harvesting of Falun Gong practitioners' organs for organ transplants, do not say a word. Do not leak any secrets. Can you do that?

Chen: Ah, yes, sure, sure.

WOIPFG: The nurses at your Urological Surgery Department at that time, did they know the donors were Falun Gong practitioners?

Chen: Who are you?

WOIPFG: Our former hospital president....

Chen: No, you, secretary, what's your last name?

WOIPFG: My last name is Zhang, my name is Zhang Tao.

Chen: Your name is Zhang Tao?

WOIPFG: Our former hospital president specifically asked me to remind you.

Chen: I know, I understand, hum.

WOIPFG: Ok. If possible, please inform the other former staff of your department as well.

Chen: I'll mention it. Tell them not to talk about it casually. Ah.

WOIPFG: Right, right, right.

Chen: I got it. Thanks.

WOIPFG: Good. That's it for now.

Chen: Ok, bye. Goodbye.
