Investigation Report on the Persecutions of Falun Gong by Wang Yunkun, the Secretary of Chinese Communist Party (CCP) Committee of Jilin Province

May 1, 2005

The persecution of Falun Gong in Jilin Province is one of the most severe and brutal among all provinces in China. The total number of verified and confirmed death of Falun Gong practitioners in Jilin Province due to the persecution had reached 231 up until the completion of this report on May 1, 2005, ranked #4 in China. The CCP Jilin Provincial Committee has been directly in charge of the persecution. During this period Wang Yunkun was the Party Provincial Committee Secretary, and must bear the key responsibility for the persecutions in the entire province.

Wang Yunkun:ⁱ CCP Jilin Provincial Committee Secretary. Wang Yunkun enthusiastically declared his stand supporting the persecution on People's Daily on July 23, 1999,ⁱⁱ and vilified Falun Gong in his article.ⁱⁱⁱ As the CCP Jilin Provincial Committee Secretary, Wang Yunkun was in charge and a key organizer who must be accountable for the persecution.^{iv} He personally partook in brainwashing and transformation of Falun Gong practitioners,^v and directly played a key role in the "Many-Besiege-One" brainwashing tactics in the persecution.^{vi} On November 14, 2001 he stressed on the "Transformation" of Falun Gong practitioners while conducting research and investigation in Baishan City, Jilin Province.^{vii}

On December 6 and 7, 2001, while chairing the 4th "Study Forum 2001" of the CCP Jilin Provincial Committee Ideology and Doctrine Study Central Group, Wang Yunkun again emphasized the "Transformation" of Falun Gong practitioners.^{viii} Based on the investigation, refusing to be "Transformed" was the major cause contributing to the death of Falun Gong practitioners.^{ix} Wang Yunkun attacked Falun Gong in his speech representing the CCP Jilin Provincial Committee during the Committee's 7th Congress, 5th Plenary Meeting on December 20, 2000,^x and at the 8th CCP Jilin Party Representative Congress on May 20, 2002.^{xi} On June 6 and 7, 2002 Wang Yunkun stressed to wage the battle against "Falun Gong" while conducting investigation and research in Jilin City.^{xii} He delivered keynote speech at the Province Work Meeting on Dealing with Falun Gong Issues. At that meeting his office planned a year long mission under the name of "Total War on Education and Transformation" to persecute Falun Gong practitioners.^{xiii} From August 25 to 27, 2002, Wang Yunkun again stressed to strike harshly on "Falun Gong" while conducting investigation and research at Baicheng City.^{xiv} On December 29 2001, Wang Yunkun praised those who participated in the persecution of "Falun Gong" and declared "major victory" in the battle against Falun Gong at the Jilin Provincial Political and Judicial Work Conference in Changchun City.^{xv} In 2002, Wang Yunkun ordered "Severe Crack Down" on Falun Gong and Falun Gong practitioners when he inspected the Jilin Provincial Bureau of Public Security.^{xvi} Under the direct leadership of Wang Yunkun, Jilin Bureau of Public Security increased its effort on the persecution of Falun Gong,^{xvii} resulted in large number of Falun Gong practitioners either killed or maimed. Just for the single case of "305 Changchun Cable TV Interception with Falun Gong truth clarification documentary," we verified more than 8 Falun Gong practitioners were murdered as the direct result of the persecution.^{xviii} On July 29 2004, Wang Yunkun again emphasized to prevent and to take precaution against Falun Gong.^{xix}

"Beijing, Shanghai, Guangzhou, Shandong, Jilin government cadres and citizens at large firmly support and endorse the CCP Central Committee's policy, profoundly recognize the harm of 'Falun Gong', thoroughly eliminate its influence with an unequivocally, unwavering stand". CCP Jilin Provincial Committee Secretary Wang Yunkun spoke to the reporter of this newspaper: "We must unify our ideology based on the decision of the Party Central Committee, firmly and steadily carry this battle of the solemn ideology struggle to the end. We must integrate the local situation of Jilin Province, using the fallacies and absurdities of Li Hongzhi as villainous teaching material, using the philosophy of dialectical materialism, atheism as our weapons, expose the deception and harm of 'Falun Dafa' with large amount of facts, thoroughly purge its baneful and abominable influence."

(Wang Yunkun) If we depart from the theme of the economic development, depart from the specific characteristics of reform and opening up, single mindedly focusing on the improvement of democracy, legal system and spiritual, moral civilization, then we wouldn't do a good job. Especially when faced with 'Falun Gong' type issues that interfere with the reform and development effort, we must purge them with highly alerted and correct working process. If we ignore them and allow them to develop, harm the national reform and development situation, then we are not adhering to the theme of economic development, let alone explicitly follow the "Four Cardinal Principles."

"The measures of banning of illegal organizations have been highly beneficial, achieving marked effect. Intensify the effort to do a good job of ideology transformation all over the country." Zhang Yulai, a correspondent from the "People's Daily" reported on August 2: 96% of Falun Gong practitioners, 95.5% of CCP members who practiced Falun Gong in Jilin Province had withdrawn from the Falun Gong organization, declaring to break completely with this illegal organization. "Falun Gong" had completely collapsed and disintegrated in this province. (Jilin Province) After the decision from the Party Central Committee had been transmitted to lower levels, the CCP Jilin Provincial Committee Secretary Wang Yunkun held meetings on many occasions to plan, and to be debriefed in order to identify the objectives and tasks for the next step. He personally supervised, pushed, and to bring them into effect.
